Deputy Commissioner's Office,

28th August 1909.

Dear Sir,

J.574-86

With reference to Government Order No. Cts 5-09-2 of 23rd August 09, approving of the nominations made to the Bench of Honorary Magistrates in the Mysore City, I wish to state that the Bench Magistrates have now been invested with 2nd Class N powers but that I am afraid this will not in any way lessen the work of the City Magistrate, as the Bench in the absence of summary powers cannot dispose of cases with the same promptitude as the City Magistrate who is invested with the same.

If the Bench be invested with summary powers, there will be saving both in time and labour in the work of the City Magistrate.

I consulted the City Magistrate in the matter and he was also of the same opinion. The magistrates now forming the Bench are experienced officers, some of whom have exercised First class powers in their day, and therefore in every way fit to be invested with such powers.

I shall, therefore, be thankful to be informed whether these magistrates may be recommended for summary powers. It will also be a hardship to ask these retired gentlemen to record evidence in petty cases.

All the I6 magistrates in the C & M. Station, are understand invested with summary powers.

I believe also that as in the C & M Station, these magistrates should be empowered to take cognizance of only Municipal and Vaccination cases (Vide the Honorable the British Resident's Notification No.3647-350-90, dated Bangalore, 3rd November I890.) and that Penal Code cases have to be referred to them as the majority of the 600 cases on the file of the City Magistrate are understood to be 2nd class cases instituted on complaint, these gentlemen will be flooded with work that they could not satisfactorily perform if they are to take cognisance directly of Penal Code cases. This is of course, a matter within the District Magistrate's discretion, but as we are in the experimental stage, it is desirable to know the wishes of Government.

Yours sincerely

D.O. 211/9

Office of the Deputy Commissioner,
Mysore District,

21st September 1909.

Dear Mr. Matthan.,

46 I am sending enclosed copies of my D.O. to Mr. Chandrasekhara Aiyar about the Bench of Magistrates and of his reply thereto and also a copy of the Resident's Notification about the powers of the Bench in the C. &. M. Station.

47 One of the Magistrates, Mr. Krishna Rao has written to me to say that he is not willing to begin work till he is invested with summary powers as he has exercised for a long time 1st class powers and summary powers as City Magistrate of Mysore

48 Mr. Krishnamurti Rao has agreed to work but says that he is bedridden and unable to attend Court I understand that he will not less than a month to be fit for work

49 Mr. Mahamed Jaffer says that he will begin work, if the other two are willing. Thus it happens that it is not possible to get the institution started.

5 I had consulted the City Magistrate and the Honorary Magistrates. and we had carefully considered the rules in the C. &.M. Station before I sent the letter of the 28th August to the Secretary. I understand that there are 16 Magistrates in the C. &

and the several of them are much inferior to our men in capacity to exercise Magisterial powers, they have second class Summary powers. It appears to me to be a hardship that elderly gentlemen that Volunteer to devote their time in an honorary capacity should be asked to record evidence at length in the very petty cases which are all that they would be asked to try. In my humble judgment they are rather to be regarded as a superior Panchayet that listens to the facts alleged on both sides and records decisions.

5| It will be seen from the Residency Notification that these Magistrates take direct cognizance of only cases under the Municipal Acts and Bye laws, offences against Section 34 of the Police Act and offences under Act 13 of 1880, that they exercise summary powers only in summons cases, and that they are not empowered to take cognizance of Penal Code cases which I understand, are only being referred to them by the District Magistrate and second Magistrate. These rules appear to have been framed after mature consideration, and if similar rules are passed here, I am confident that our Magistrates will work at least as satisfactorily as the Magistrates in the Cantonment

6| As the Dasara Holidays are approaching and as there is no means of starting work till the gentlemen are invested with summary powers, I am venturing to address Government again in the matter.

7| Another point that I would solicit instructions about, is whether the names of some more gentlemen may be proposed for being appointed as Magistrates. As a quorum is formed of two mem-

members. and one of the three members is unwell. it will be hard to
ask the ther two members to sit throughout. Seeing that there are so
many as 10 Magistrates for the C. & M. Station. I think we should
have at least five or six members here.

I might perhaps also mention that the chairmen are,
understood, being appointed in the C. & M. Station by the Resident.

It is proposed to locate the Court in the City
Magistrates Court. An estimate for the necessary alterations will
be submitted very soon: but if the Bench is to be sit before Basara,
they can begin work in the Town Hall as soon as they are invested
with summery powers.

Yours Sincerely.

It is necessary that no Bench should be constituted without one of the experienced men being on it and presiding over it. The Govt. might have the power to bring them in. The Secretary should be asked to send confidential instructions to the D. 75 Perhaps it would have been better to differentiate between the trained & the amateur members by giving the latter only 3rd cl. powers. If so, the chairmanship would automatically go to the higher magte under the rules, though even then it would have been necessary to direct that no Bench should be constituted without a 2nd cl. magte. But as we have given the same powers to all in Bangalore, perhaps to prevent invidiousness, it may do the same in Mysore unless the Dewan prefers the other course, in which case all the new men in Mysore may be made magts of the 3rd class. However the draft proposes to make

I am not satisfied with some of them; and if the Dewan on local enquiry information would like to alter or omit any names, I shall have no objn. OFFICE OF THE District Magistrate

Dated Mysore Camp 24th June 1909.

To

C. S. Balasundram Iyer Esq., B A

Offg SECRETARY TO THE GOVERNMENT
OF HIS HIGHNESS THE MAHARAJA OF MYSORE,
GENERAL AND REVENUE DEPARTMENTS.

Sir,

With reference to Government order No. J 3203-14/As 202-07-4 of 19th April 1909 calling for the submission of my proposals specifying the names of gentlemen who may be appointed Honorary Magistrates, the place where the Bench should hold court &c, I have the honor to state that I wrote to the marginally noted gentlemen expressing my wish to propose their names to Government for service on the Bench and requesting to be informed of their intention in the matter and that they one all have signified their utmost willingness to offer their honorary services at the disposal of the State.

As two of them are retired Assistant Commissioners and the other a retired District Superintendent

Mr. C Krishna Rao
Krishna Swamy Rao
Mr. Adams Jackson

Retired Asst. Commr
Retired Asst. Supdt of Police

Superintendent of Police they may be expected to discharge the duties entrusted to them with satisfaction and honorably.

I beg that under those circumstances they may be appointed honorary Magistrates and constitute into a Bench for the disposal of Criminal work in the City

As regards the powers with which the Bench may be invested I beg that it be invested with the powers of a 2nd Class Magistrate to try all offences under the Indian Penal Code the offences mentioned in Section 56 of the Mysore Police Regulation no V of 1908 as well as those under the Vaccination Act

The minimum establishment required is two clerks one on Rs 25 and the other on Rs 15 to maintain the Registers and to attend to Court work generally and a menial staff consisting of one Duffedar and 4 Dal. ets, three of whom being deputed for Service under each of the Magistrates

A small sum of Rs 5 per month may be allotted for Contingent expenses permitted

printed registers, Articles of Stationery forms &c being ordered of course to be supplied by the Superintendent of Stationery Bangalore as in the case of other Magistrates

The City Magistrate's Court building which I inspected today is sufficiently commodious to accommodate the Bench of Magistrates for the purpose of holding its court, provided that the office of the Deputy Inspector of Schools now being held in a portion of the building be removed to some other place. A reference to the Inspector General of Education on the subject has this day been made.

I have the honorable

Govt. Progs. No.J.3203-14/Cts.202-07-4 dated the 19th April 1909, passing orders regarding the institution of Benches of Honorary Magistrates as an experimental measure in the cities of Bangalore and Mysore, and requesting the District Magistrates concerned to submit the necessary proposals for giving effect to the scheme.

2. Letter No.890 dated the 30th June 1909 from the District Magistrate of Mysore, submitting proposals for the constitution of a Bench of Honorary Magistrates in the Mysore City.

Order thereon No. J 5-74-86. Cts 5-09-2

Constitution.

The District Magistrate of Mysore reports that the marginally noted gentlemen have signified their willingness to serve as Honorary Magistrates in the Mysore City. Two of them viz, Messrs C. Krishna Rao & Krishnamurti Rao are retired Assistant Commissioners and the other, Mr Mahomed Jaffir is a retired Superintendent of Police. The nominations commend themselves to Government and they are pleased

to approve of the same.

2. Powers.

Government also approve of the District Magistrate's proposal ~~to invest~~ that each member of the Bench shall be invested with the powers of a Magistrate of the Second Class. Steps will be taken to publish the necessary notifications in the Mysore Gazette.

Establishment.

3. For the present and until further experience is gained, Government consider it sufficient to allow an establishment consisting of one clerk on Rs.25 and two peons on Rs.8 and 7 respectively, the latter being spared from the Head Quarter offices where supernumerary menials are available. These will be regarded as additions to the Establishment of the City Magistrate's Court, which should perform all the ministerial work (such as the keeping of additional registers, correspondence with the Police or Jail authorities) connected with the trial of Cases by the Honorary Magistrates.

Contingencies.

4. Instead of a fixed contingent grant of Rs.5 per mensem as proposed, a lumpsum grant of Rs.60 is sanctioned for contingent expenditure during the year 1909-10. The grant may be regulated by actual expenditure as in the case of contingent charges of other courts. The contingent charges of the Bench may be incorporated in the bill of the City Magistrate who may also give out of his permanent advanc a small amount to the Bench clerk for meeting petty charges.

Stationery & Forms.

5. The Superintendent, Government

6

Stationery and Stores, is requested to supply on indent sent through the District Magistrate the necessary printed forms and registers and articles of stationery for the use of the Bench at Mysore.

6. The District Magistrate of Mysore is requested to report the result of the steps taken to secure suitable accommodation for the Bench to hold its sittings.

7. The additional charges necessitated by the scheme will, during the current official year, be met by reappropriation, the necessary provision being made in future Budget
